BRAIN WELLNESS FUND

The Brain Wellness Fund (BWF) is dedicated to funding the treatment of neurologic symptoms related to TBI and PTS in our veteran community. We are working closely with the Brain Wellness and Biofeedback Center (BWB) in Bethesda, MD to offer as many veterans as possible treatments that in addition to being non-invasive, painless, and drug free, are also enduring. The BWB has achieved more than a 90% success rate in removing or drastically reducing the symptoms of post-traumatic stress, traumatic brain injury, concussion, depression, headaches and other neurological issues. Please help us help those that served!

WHEN: Saturday, August 26th – 12:00 pm to 6:00 pm
